# Our exciting new learning began like this....

This week the children have looked at the work of Brazilian artist Romero Britto and using collage techniques to create Jaguars inspired by his art.

# Our Learning Quest

We have already looked at:

- Enquiry based learning approach related to each classes specific animal.
- This week have worked collaboratively to produce a large piece of artwork inspired by the contrasting colourings of Romero Britto's mixed media style. Each class has also taken time to establish clear structures and routines within the class in order to maximise the learning for the coming year and ensure a safe working environment is created.
- Our Autumn 1 Learning Quest topic is 'Groovy Greeks' where we will be exploring Ancient Greek civilisations, gods, war, democracy and Mythology.
- Parent map emailed at the beginning of each half term and available on the school website under the 'Curriculum' tab
- There are no trips or visitors confirmed for Autumn 1 but we will re-evaluate according to government guidance thereafter.
- Further on in the year we also have the Romans, Britain and Europe to look forward to.

# Attendance and punctuality

- Children achieve most when they are in school on time every day. We have a whole school target of 97% attendance. A positive and prompt start to the day is important for the whole class in order to feel confident, settled and to achieve their best
