We are still in the process of confirming support staff, this will be confirmed in the coming weeks. We have considered carefully where teachers are placed next year taking into account a range of reasons, as I know the children have had an unsettled year. Please be assured that the teachers will be having a comprehensive handover to ensure smooth transitions and to take into the account the needs of the children. Hopefully all the children will be able to attend the transition sessions that we have organised for them to say farewell to their current teacher and also meet their new teacher. Further details regarding these transition arrangements will be sent out this week. Teachers and support staff will post video farewells to their current classes and greetings to their new classes via Google Classrooms on Monday 20 July.

We are saying goodbye to a couple of members of staff at the end of the year. **Havva Parmar**, who is currently on maternity leave, is leaving at the end of the year to work in another school. Havva has been an asset to Grange Park and we will be sad to see her go. **Filiz Dervish**, who has been in Ash Class since November will sadly be leaving at the end of the year. We want to wish them both the very best and thank them for all the work they have done at Grange Park.

We are delighted to be welcoming back **Androulla Constantinou** who has now returned from maternity leave. **Amanda Ashun** will be going to maternity leave in September, we wish you all the best Amanda!

**Suzanna Saunders**, who is currently on maternity leave, will return in November and will subsequently take over from Debbie Hagen in **Cedar Class**. Suzanna is an experienced teacher and has many years experience in teaching in Year 3.

**Lynsey Jennings** will be the Year 3 Lead in September but is due to go on maternity leave in the autumn term. Once she does, **Tracy Murray** will take over the lead for Year 3.

We are also welcoming new staff to the school. **Vaishali Dave** and **Ceren Kizilkaya** were both teaching students at Grange Park this year and know the school well and are both excited to be coming back in September. **Aysha Parker** is a school direct student who will be working in our school for the year. We know that you will welcome them to our school.

We are also delighted to inform you of some new internal appointments. **Tracy Murray** has been appointed as interim Deputy Headteacher, for a year. **Ian Gregory** has been appointed as an Achievement Leader and will be working in Year 6.

The Secretary of State for Education has confirmed that they are not asking schools to open over the summer holidays, and there is no expectation that schools should open for vulnerable children and children of critical workers over this period. Therefore the school will be closed for all children during the summer holidays. Home learning will continue to be posted in all Google Classrooms up to and including Tuesday 21 July. However, from 2pm on Tuesday 21 July when the school will close finally to all staff, teachers will no longer answer questions or comment on handed-in work. Teachers will upload, to the stream pages of Google Classroom, hyperlinks to suggested learning and activities, so that parents can continue home learning with their children if they wish, over the summer period.

Thank you all for your continued support. With my very best wishes to you and your family.
