4

5

5

Spanish

Las Bases

Read, write and say numbers, days of the week, months of the year and the seasons.

Year 5 Spring 1: Striving Civilisations - The Monarchy

Curriculum connections

This half term, the content in the curriculum map will be delivered through remote learning on the Google Classroom, live sessions and in school face-to-face lessons for critical worker children.

In addition to recovery of lost learning in class and on the google classroom, our school will be recovering some lost learning through the National Tutoring Programme (NTP). This programme will provide additional support to schools to help pupils whose education has been most affected by school closures. The NTP was developed to support schools in responding to the immediate challenge of school closures due to the coronavirus pandemic and to provide a longer-term contribution to the children's overall attainment.
