# Our Learning Quest

We have already looked at:

- Enquiry based learning approach – How has Kandinsky influenced art style today?
- Our class displays show our interpretations of Kandinsky's abstract style of painting.
- Our Autumn 1 Learning Quest topic is Voyage Across the North Atlantic.
- A parent map will be emailed at the beginning of each half term and will be available on the school website under the 'Curriculum' tab.
- We are delighted to be taking the children to Cuffley Camp on 20th September to make up for last year's trip. We also have Bikeability training in October, letters for this will be sent out in the coming weeks.
- Further on in the year we also have our PGL residential to look forward to.

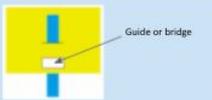

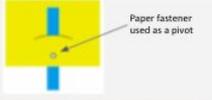

# Our learning connections

- As teachers we understand that learning is most successful when the children have had the opportunity to make connections with learning they have done in the past and will be doing in the future. Learning also should be organised and meaningful.
