Anxiety in children parent workshop - Friday 6 March 2020

Anxiety in children parent workshop - Friday 6 March 2020

Dear Parents,

Thank you for your attendance at parent workshops so far this academic year. We would like to draw your attention to the workshop taking place next Friday 6 March on Anxiety, which will run from 9am until 10am in the Reading Hub. This workshop is designed to support parents to manage anxiety in their children on a range of issues, such as making academic progress, undertaking tests such as SATs, and anxieties connected to self-esteem. You will also have the opportunity to hear about and share strategies which can support you and your children in this respect.

This workshop is run by Jacqui Summers, senior parent support advisor. Jacqui has run several other very useful and well received workshops on different themes so far this year.

If you would like to attend, please sign up via parent mail. We look forward to seeing you there and would like to thank you for your continuing support.

Kind regards
Cathy Basiel
Deputy Headteacher

I will attend the workshop on Friday 6 March 2020
