

Dear Parents

Woodcroft Wildspace

Year 3 have planned an exciting visit to Woodcroft Wildspace in Winchmore Hill as part of our topic about plants. The purpose of the visit is to deepen the children's understanding of plants and to explore a variety of plant types.

Cedar Class will be visiting on 10 September, Oak Class will be visiting on 13 September, Ash Class will be visiting on 17 September and Willow Class will be visiting on 20 September. We will be travelling on foot. The children will be leaving school promptly at 9.10am and will return to school at 12.45pm in time for lunch. Your child will have their lunch in school as usual.

Your child should wear school uniform and ensure they have a waterproof jacket, a spare pair of shoes as it may be wet and muddy.

If you are available and would like to accompany us on the trip, please express your interest on Parentmail and your class teacher will confirm parent volunteers once all responses have been submitted.

All children on our asthma register must make sure they have an up to date pump with them on the day. Children without their pumps will not be allowed to go.

Please contact your child's class teacher if you wish to discuss this class visit
Many thanks for your continued support.

Yours sincerely

Ernest, Emine, Suzanna, Elaine and Debbie
